WHOLESALE PRICE-LIST

OF THE

ENTERPRISE NURSERIES,

Barnesville, Belmont Co. Ohio.

FOR AUTUMN OF 1871.

TIPTON & STANTON, Proprietors.

In presenting this Trade-List to our customers, we take pleasure in assuring them, our stock is full and complete in every department, and of better quality than usual. Our Apple Trees and Peach Trees in particular, are very fine.

Terms of Sale.

The following prices are for Nurserymen, Dealers and extensive Planters only. We will make a discount of 33⅓ per cent. from the prices given in our Discriptive Catalogue, on all articles not named in this Price-List.

We are particularly careful in labeling, digging and packing all orders entrusted to our care. A moderate charge will be made to cover the cost of material used in packing, but no charge will be made for delivering them to the Depot or Express Office.

Dealers should always furnish us with a collated list of the stock wanted; and when they pack on our grounds, we will heel it in by itself for them; and all help furnished after that, and boxes used in packing, will be charged to their account.

Our Terms are Cash or note, made payable at such time and place as may be agreed upon. All orders from unknown correspondents must be accompanied with cash for the amount, or a satisfactory reference.

Remittance may be made by draft or express; small amounts may be sent by a post office money order, or mailed in an ordinary letter.
